ANNUAL REPORT

OF THE

AUDITOR AND TREASURER

OF THE

State of Montana

FOR THE

FISCAL YEAR 1889.

STATE OF MONTANA,
AUDITOR'S OFFICE,
Helena, Mont., January 10th, 1890. A

TO HIS EXCELLENCY JOSEPH K. TOOLE, GOVERNOR OF MONTANA.

SIR: In compliance with the law, I have the honor to submit herewith the Annual Report of this office for the fiscal year ending December 31, 1889.

In submitting to you the report of the Insurance Department of the State of Montana, I would respectfully recommend an early revision of the Insurance Laws of the State which I consider inadequate in several respects, as no provision is made for the regulation of Life Insurance Companies doing business in this State, nor for the limitation of business transacted by one Company, to any one particular class of business.

The rapid development of the State is daily increasing the business done by Insurance Companies in Montana, and the revenue from this source will become quite a factor in the future.

I am, sir, your obedient servant,

E. A. KENNEY,
Auditor of State.

REPORT

OF THE

State Treasurer

FOR THE

FISCAL YEAR 1889

STATE OF MONTANA,
TREASURER'S OFFICE,
Helena, Mont., January 1st, 1890. A

TO HIS EXCELLENCY, JOS. K. TOOLE, GOVERNOR OF MONTANA:

SIR:- I herewith present a report of the financial transactions of this department from January the 1st, 1889 to December 31st, 1889 inclusive, showing receipts and disbursements to and from the different funds as provided by law, it will be seen on comparing the receipts for the past with those of the preceding year that there was an alarming decrease. But this was not real, only apparent, and was caused by the enactment of a statute approved March 14th, 1889, wherein the date when taxes became delinquent was changed from the first of December to the last day thereof. This change without changing the dates when the several Boards of County Commissioners meet, has the effect of delaying the payment into the State Treasury until after the March settlement of over one hundred thousand dollars which would have been received in time to have been incorporated in this report had it not been for the passage of this act. I would most respectfully invite the attention of your excellency to this much needed alteration of the law. There should at least one month intervene between the date when taxes are paid and that fixed by law for the Auditor and Treasurer to make their annual reports.

I have the honor to be your obedient servant,

R. O. HICKMAN,
State Treasurer.
